

The Gellibrand River Hotel is a hidden gem in the Otways, for a reason – it welcomes all, but only those who take the time to find it. That said, once here you will feel its country welcome and warmth. We are centrally located in the heart of the Otway Ranges. Only 20 minutes from Colac and 90 minutes from Geelong, we are easy to find.

The current building was erected in 1895 making the pub 120 years old. Since then the Gellibrand River Hotel has been quenching the thirst of locals and charming visitors ever since. Our bar is built for muddy boots and good conversation with its ambience and warmth supplied by our pot belly stove and the good humour of our customers. In our lounge we have an open fireplace, pool table and juke box. We can seat 40 people easily in the bistro. There is also a private dining room with its own open fire where we can seat 16 people in comfort.

Once we get some warm weather our beer garden is very hard to equal. From here you can watch our mob of kangaroos come out to play most afternoons in a paddock in front of the pub. We have ample off street parking and we are set back well away from the main road offering extra security. Our accommodation consists of three double rooms and a bunk room. They are simple, clean and warm pub rooms at a very fair price. We are a dog friendly pub and free Wi-Fi is available.

Finally and certainly not least our fully qualified chef Kate is following in her mother's footsteps by offering a classic and lovingly presented country pub menu. However she will cater for your needs if they be vegetarian, vegan or gluten free meals. She can also provide set course menus for large groups and functions. Please find attached our Function, Bistro & Bar Menus and Wine List. The Bistro Menu will change with the seasons and we also have daily specials. Whatever your group, be it car enthusiasts, horses, motorbikes, cyclists or sportspeople we will do our best to accommodate all. We can also cater for weddings, Christmas functions and Work Break-ups. We hope to see you soon. You can find us on Facebook.
