PRESIDENT'S REPORT

Welcome to the Autumn Colac Collectable Car Club Inc Newsletter.

I hope you have had lots of use of your collectable vehicle. For those of you who have joined in club activities I trust you have made new friends and enjoyed the venues Malcolm has the time to organise.

I have had the privilege of having some time off to travel which has made me realize just how good our traffic laws are and why safety is so important. We visited Thailand and were absolutely amazed at the number of scooters on the roads, the number of passengers they carry (6 was the highest we counted) and the huge loads that were balanced on a scooter. There seemed to be a lack of safety and sensible clothes that the riders were wearing. The locals told us the law requires you to at least carry a helmet on your scooter but you don't have to wear it. We saw many tourists riding in thongs and shorts and no helmet, something they wouldn't think of in Australia. While I was waiting at the hospital for Nette (she caught a bug) there was a continual stream of motor scooter casualties presenting at the hospital. So, if you are game enough to hire a scooter overseas be careful.

On another note, you will be aware of the recent bushfires in our area. It got me thinking about insurance and whether our vehicles are sufficiently covered. It is also important to think about our projects as well as those we drive. It is relatively inexpensive to have "laid up" insurance for those vehicles we are not currently driving or may not even be registered or on club permits. Have a think about your shed and whether your insurance needs to be updated.

We are currently spending some time in WA. We have come across some amazing classic vehicles both on and off the road. By talking with locals, we came across some open days and collections that were not listed in any of the tourist brochures, more later.

Keep your collectable vehicle on the road and enjoy it.

Cheers, *Vince Thorne*

- All brochures and information received are published on the Club’s website.

CORRESPONDENCE: OUT

- Newsletters and Christmas Celebration invitations posted to members;
- Letter to Council to provide support for the Colac Show and Shine event;
- Letter of support for Great Australian Rally, 2019;
- Letter re Colac Shire Australia Day celebrations – our Club unable to help because of prior arrangements;
- Letters of thanks sent to Les Claridge, Graeme Chislett and Annette Thorne for being on call for signing of Permit renewals;
- Letters to Vic Roads amending various members details and Annual documents forwarded to Vic Roads and confirmed as correct.

REPORTS:

VICE PRESIDENT’S REPORT: (Ken Slingsby)

- Christmas Celebrations held at the Colac RSL went off well, with a large turnout;
- The Custom Car Show originally held in Colac was held in Camperdown this year and was well supported. A lot of money has been donated to local organisations over many years and was one of the busiest days for the Colac traders. It was a shame to lose the event to Camperdown but no doubt the event will go from strength to strength.
- The Colac Show and Shine was held two months later in March and was very successful for its first event and well attended. Money raised will go to the RSL and distributed by their welfare officer.
- A reminder that the annual Colac KANA Festival is to be held tomorrow – 12.30pm start.

FINANCIAL REPORT: (Craig Carroll)

Balance of bank account as at 16th March, 2018

Accounts for payment:

- Vic Roads – Registration Renewal for trailer
- 3rd 4th Colac Scouts – hire of the hall for meetings
- Australia Post – Post Office Box renewal
- Licensed Post Office – Cobden for newsletters
- Federation of Veteran, Vintage & Classic Vehicles Clubs Inc. Annual Membership Renewal
- Colac Area Health “Bringing Specialist Care to Colac” to be discussed
- Reimbursement to Secretary for Newsletters, postage, printing, envelopes and supper

RUNS COMMITTEE REPORT: (Malcolm Wilson)

- All events continue to be well attended. The New Year’s Day run to Warrnambool very well attended with about 20 visiting the Warrnambool Motor Museum, Botanical Gardens and the Model Barn near Terang;
- W.I.T.H. runs are reasonably well attended with between 4 and 12 cars;
- Many members attended the Camperdown Car & Bike Show in January, the Australia Day breakfast at the Beeac Farmer’s Arms Hotel had an excellent roll-up, the run to the Timboon Ice-Creamery and Port Campbell for fish ‘n chips also well attended. Friday nights have been okay with about 25 attending the recent Lake Bullen Merri Friday night. Pleasant Sunday afternoon at Simply Perfect Pieces saw about 12 – 15 in attendance. The Heytesbury show was very successful with club member Rob receiving first and second prizes in the Best overall vehicle category and a second prize in the public vote;
- The Colac P & A Heritage Festival, early February was well attended and the afternoon visit to Tarndwarncourt Homestead had about 10 members attend.
- Upcoming events include the KANA Parade, Federation Picnic day at Mortlake, Beeac Cars and Coffee, a mid-week run to Torquay, a dinner night at the Otway Tourist Park, lunch at Lismore, dinner at the Colac East Hotel and a pleasant Sunday afternoon to the Gellibrand Store.

RED PLATE PERMIT AND AOMC REPORT: (Geoff O’Neill)

- Permit renewals are keeping a lot of the permit scheme officers busy;
- Scrutineers, at their discretion, may suggest to members putting their pre-1948 vehicles on club plates to obtain a roadworthy certificate;
- Vic Roads are reviewing the Club Permit Scheme – approximately 3 reports per week are made to Vic Roads regarding inappropriate Club Permit holders;
- There are two peak bodies looking after the old car movement – the AOMC Inc and the Federation of Veteran, Vintage and Classic Vehicles Clubs Inc. Geoff recently attended a meeting of the AOMC and there was discussion that the old car movement could be better served by one peak body;
- As part of their fundraising, the AOMC hold car shows – a hiring fee of \$15,000 is usually charged to hire the Flemington Racecourse which means that events had to be relocated and are now held at the Yarra Glen Racecourse which is a little out of the way for Colac Club members;
- On a positive note, at the last Delegates meeting of the AOMC in February, Kalinda McIntyre attended. Kalinda was the Robert Shannon Foundation Award winner for 2017. Kalinda, from the Willy’s Overland Club of Victoria, was the sole recipient of a grant of \$1,000 to assist her with the restoration of her 1926 model 93 Overland. Kalinda is in her early 30’s. NB: If you would like to read an article *on Kalinda and the progress of the 1926 Overland*, you can read it online:- www.aomc.asn.au/newsletter/
- Re: Luxury Car Tax. This tax was set up originally to protect our motor vehicle industry including historic vehicles. The Australian Historic Vehicle Interest Group has been formed which is made up of several key state bodies and is lobbying the Federal Government to

exempt historic vehicles from the Luxury Car Tax. *If you would like to read the letter to the Assistant Minister to the Treasurer, on the importation of vehicles over 30 years and the Luxury Car Tax, you can read it online:- www.aomc.asn.au/newsletters/*

- Geoff provided information on the RACV Florence Thomson Tour (for women only) to be held in April and commencing at the RACV Goldfields Resort, Creswick on 22nd April;
- Geoff still has a good supply of AOMC stickers available to replace your Vic Roads registration label, as well as the AOMC Club Scheme Handbook at just \$5.00 which is an invaluable resource for vehicle owners, and answers many of the questions you may have regarding the Club Permit Scheme.

FEDERATION OF VETERAN, VINTAGE AND CLASSIC VEHICLE CLUB INC. REPORT:
(Shane Perrott)

- Your red plates are important so look after them and respect the Club Permit Scheme;
- In 2019 the Federation are celebrating 100 years of motoring with celebrations to be held in Shepparton;
- The annual Mortlake Federation Picnic day is being held next weekend and in 2019 to celebrate 100 years of motoring, people attending the Mortlake Picnic day, in a vintage car, will receive a commemorative medallion;
- Shane has attended the Delegates Meetings and a reminder that Grants are available for Clubs for trophies etc.

Reports accepted: Moved: Stephen Umland Seconded: Isobel Prince Carried

GENERAL BUSINESS:

- Re: “Bringing Specialist Care to Colac” donation, it was moved at a recent Committee Meeting that \$500.00 be donated to Colac Area Health Foundation appeal. This recommendation was over-riden and moved that a donation of \$2,000 be made. After discussion and an amendment that \$1,000 be donated, on a show of hands it was moved that \$1,000 be made to the Colac Area Health for their “Bringing Specialist Care to Colac” appeal.
- Discussion also took place regarding a donation to the 3rd 4th Colac Scout Group to purchase new chairs. The Group are to contact us after they decide what to buy.

MEETING CLOSED: 8.25pm

NEXT MEETING: Friday, 1st June, 2018 - Colac Scout Hall, 7.30pm.

ANNUAL GENERAL MEETING: Friday, 20th July, 2018 – Colac Scout Hall, 7.30pm.

This rig and load was stolen (USA) over 50 years ago and hidden;
when found it was then fully restored to its former glory.

OUR WESTERN AUSTRALIAN EXPERIENCE – VINCE & ANNETTE

We recently stayed a week in Mandurah, south of Perth. On looking at the tourist things to do we came across some waterfalls at Serpentine, along with a tractor museum.

At Serpentine we viewed both the waterfalls and then the tractor museum. There were about 50 old tractors which brought back farming memories for Vince. Where we were staying, we meet some locals from Bunbury, which is a bit further south.

Of course, the conversation came around to old vehicles etc. and Larry told us of a “Heritage Day” to be held at Brunswick Junction; as well as a historic collection at Darndanup, not far from where we were staying.

The Heritage Day was great. We spent most of the day watching bulldozers, a lot of Internationals and Caterpillars, digging holes, moving dirt from one end to the other and graders levelling it out. Tractors were ploughing in another section. Some of these tractors were manufactured in the 1920’s and all of them having a great time. Most of the operators were between 60 to 80 years of age with only a few young ones. There were about 200 tractors.

One tractor which stood out was a 1923 Latil French tractor that all 4 wheels turned as well as being 4-wheel drive. Out the back was a truck display, all presented immaculately. Some had transported the tractors to the site. There were a number of vintage vehicles as well. A hearse took our eye - it was a 1929 Pontiac with the number plate LASTRDE. There were also a number of military vehicles; demonstrations on how to start various tractors like a Field Marshall and a TD9 bull-dozer plus other demonstrations such as horse drawn ploughing, making axle handles and blacksmithing.

On the following day we went to a private collection at Dardanup. There were shed after shed of tractors, restored and going. There was a shed just for International tractors. Vince spent a long time talking to Bill who was a retired salesman for International, picking his brain about the old dozer he will one day restore. There were the Tangye engine shed, the Caterpillar shed, an army shed, and a Ferguson shed along with many more sheds and tractors and memorabilia. Our quick visit ended up taking many more hours than expected. If anyone is interested we have photos and Vince would love to talk to you about them.

Vince and Annette Thorne

A flat head Ford-powered, grey Ferguson, which had been repowered with car engines including V6 Commodore and V8 Chevy etc. Just one of a number of tractors Annette and Vince spotted on their travels to Western Australia.
