PRESIDENT'S REPORT

Welcome to my first President's Message and I hope I don't bore you too much.

Firstly, I would like to thank you all for your faith and support in allowing me to sit in the President's chair for the next twelve months. I hope that I am able to live up to your expectations! My next thank you goes out to our 'retiring' committee members.

Over the last two years Vince has done an absolutely outstanding job as our club President. His knowledge and enthusiasm is second to none. Luckily for us he has not stepped away entirely and is continuing on our committee in the Vice President's role. I am sure that I will be calling on him for advice over the next twelve months. Craig too has done a great job as our Treasurer, making sure our money is safe and the bank accounts balance. Malcolm, and I'm sure eagerly supported by his wife Chris, has done an amazing job as our Runs Organiser. Malcolm has put so much thought and planning into making sure we have had a varied, fun and interesting calendar. He has certainly set a high standard for us to try and continue in. Someone else who definitely deserves a special mention is, of course, Heather. Thankfully for us all, she is continuing in her role as our Secretary. The amount of behind the scenes work that Heather does is outstanding. Without her efforts and input I have no doubt the functionality and administration of our club would be in turmoil.

At the end of the last financial year there were a few members that decided not to renew their membership. This opened up the opportunity for us to allow some of those on our waiting list to join as full members. Following our next Committee Meeting, we will be contacting those members regarding their membership. To all our members, both old and new, I hope you all enjoy your time with our club and can take the opportunity to join us on some of our outings and make some good friends from within our membership.

As I look out my window I can see some sunshine and blue sky today. Now that Spring is here, it may be the start of some good weather that we can take advantage of and take our cars out and enjoy driving them. Be sure to check our calendar of events and come along and enjoy the group for a 'run' and a coffee.

Stay safe,

Best Regards, *Ken*

Proud Colac Collectable Car Club members John and Diane Wright made the long trek from Simpson to Sale to attend their grand-son Ben's wedding to Kimberley. Pictured are Diane and John standing proudly by their Dodge and Oldsmobile, ready for a celebration to remember.

REPORTS:

President's Report (Vince Thorne):

As at 30th June the Club had 240 Financial members; 12 new applications on the waiting list; 26 members did not renew their memberships. Letters have been sent out to all members who did not renew their membership. 2017 – 2018 was a very successful year for the Club. The committee have been very organised. Committee members Malcolm and Craig will not be renominating this year and are to be thanked for their time and dedication over the year. Thanks to Malcolm and Chris for organising great club runs and activities; and Craig for keeping all our banking and financial matters in order. The Club has grown over the years and the Committee has worked well this year, meeting regularly. To the rest of the Committee – Geoff, Ted, Annette, Les, Glenn and Graeme, thank you. One thing to consider is the large task of preparing the quarterly Newsletter. Referred to General Business. Thank you to Heather and Dallas for organising a lot of things behind the scenes and keeping everyone up to date. The Scout Hall has been a great venue to meet and as I will not be renominating my position as President, I thank you all.

Financial Report (Treasurer Craig Carroll):

CBA Bank Balance \$17,188.89 as at 19th July, 2018.

Thank you to Malcolm for organising a great range of activities throughout the year; also thank you to our Registrar Shirley for all the work Shirley does behind the scenes organising our membership lists and keeping an accurate record of cars on the Club Permit Scheme.

Red Plate Permits – Permit Scheme Officer (Geoff O'Neill):

There are approximately 321 Club Permit Scheme vehicles on our list; this equates to the signing of one permit per day. 213 Members have vehicles, so not all members have vehicles on the Scheme. Special thanks to Graeme Chislett for being committed to the Club since its inception with numerous farm visits to inspect cars and trucks and climbing under and over cars to perform checks for new permits. To all the people who have undertaken the signing of paperwork throughout the year, thank you. After this AGM there will be new members on the committee. The Colac Vic Roads office have been excellent and the Club are fortunate to have a Vic Roads branch in Colac. Special thanks to Les for being prepared to undertake the signing of our permits; we wish Les all the best in his recovery.

Runs Coordinator (Malcolm Wilson):

Dinners have been well attended with between 10 and 12 members each outing. The day run to Ballarat had 25 cars visit Brunt's Museum and later on to Magilton's for a tour. To Forest there were over 16 people attend and the alternate run to Ballarat with the Werribee Club saw 4 cars attend. Pleasant Sunday Afternoons and dinners have been well attended. There have been a regular core group attending but always enjoying great friendship. The calendar for the next few weeks includes a dinner in Camperdown at the Hampden Hotel; at the Barongarook Motel and Coffee and Cars at Beeac. On the 12th August there will be run to Mt Noorat with a visit to the Fudge Farm at Jancourt East. On the 17th August dinner at Lemongrass, Murray Street followed by a dinner night at the Union Hotel. As I am not continuing on as Runs Coordinator, I am stepping back to allow new and fresh ideas from a new person or committee. Thanks to the Committee; good luck to the new committee and to the Club as it moves forward.

All reports received.

Moved: Steve Umland

Seconded: Gordon Wilson.
