Robin Cooper's 1959 Ford Fairlane.

Robin bought the car in April 2000 from a chap who lived in a small town in Queensland called Candanga. Since buying the car Robin has cherished his prize possession, using it in conjunction with his other love of rock n roll dancing. The car has been featured in a couple of magazines since Robin purchased the car. This is another fine example of cars we have within our club. Thankyou Robin for allowing us to feature you're car in this edition.

If you would like your car to be the feature car, contact the editor.

Presidents Report

Dear Members,

We have had some great turn outs to various events over the past few months, these include the run to Port Campbell, the Heritage festival, the Sunday afternoon run to Gellibrand. I have only mentioned a few but the turnout has been very encouraging.

I am pleased to see that the Club meetings are well attended and members are taking a keen interest in the running of the Club. Please get your cars, bikes and trucks out of the shed and show them off on the road as often as you can.

On a serious note I am compelled to remind members that the use of club plated vehicles for commercial gain is against VicRoads rules. The penalties are very high and include the suspension of your Rego. If any member breaches this rule and the clubs Committee is made aware of the breach we are required to report the offending member to VicRoads and we will do so. We will do this to protect the Club from any adverse attention from VicRoads.

I wish to remind all members that your membership is to be paid by the 30th June 2015. The fee is \$50 per year. If you pay before the 31st May 2015 you get a \$20 discount.

If you have not paid by the due date your membership will lapse and you will no longer be a member of the club.

If you are not a member your registration is invalid and you are not permitted to use your club plated vehicle. The club is required to inform VicRoads that you are not a financial member and they will cancel your red plate rego.

If your membership lapses and you wish to rejoin the Club or any Club you will be required to submit a new application form to the Committee for consideration. Your vehicle will require a **Full RWC** as per the new red plate rules.

The committee will not **accept any excuse** for non payment of fees by the 30th June 2015.

I am sorry that the above seems harsh; however we must protect the Club and its members from a very small amount of people who do not do the right thing by the Club.

On a brighter note we have purchased the trailer and the sign writing is now complete. This will enable us to store all our assets in the trailer and be able to move them in one go to various events such as the Mortlake picnic.

Enjoy your motoring.

George Tolley

New Members

David Irvine, Shannon Bell, Sam Robinson and Michael Mercuri.

Welcome to all these new members.

HOW THE VICROADS CHANGES TO THE CLUB PERMIT SCHEME WILL AFFECT YOU:-

1. New club permit applications for vehicles manufactured after 31.12.1948 will require a **Certificate of Roadworthiness**;
2. Pre-1949 vehicles, clubs will continue to conduct their own safety inspection;
3. A Vehicle Eligibility & Standards Declaration form to be completed for all new applications;
4. Club safety inspections to remain for vehicles built before 1.1.1931;
5. If a new application is received for a vehicle that is modified a Vehicle Assessment Signatory Scheme (VASS) approval certificate must be provided. An **"M"** plate club permit plate will be issued to identify modified vehicles.
Consult VSI 33 VicRoads guidelines for further information;
6. All new applications for Club Permit to submit at least 5 photographs to the Club;

Dated photographs must include images of the front, driver's side, rear, driving position (side on with the driver's door open) and, where possible, any identifiers such as chassis number and engine number. Clubs are required to provide photographs to VicRoads within seven days of receipt of a written request from VicRoads.

7. Vehicles manufactured outside of Australia after 31.12.1968 (or 30.6.1975 for motorcycles) must have a VASS approval certificate;
8. Club Permit vehicles must comply with the Vehicle Standards, appropriate to the date the vehicle was manufactured, contained in Section 2 of the Road Safety (Vehicles) Regulations 2009. Check the VicRoads website for further details.
9. All vehicle standards and modification guidelines are available through VicRoads website....
www.vicroads.vic.gov.au/safety-and-road-rules/vehicle-safety/vehicle-standards-information
10. Existing club permit vehicles which are unroadworthy and/or inappropriately modified may be reassessed by VicRoads. VicRoads will contact the permit holder advising the holder to request that their club re-assess the vehicle in accordance with the new requirements;
11. Registration renewals from 31.1.2015 received by VicRoads more than 3 months (90 days) after the expiry date will not be accepted and a new application will need to be produced;
12. Street-rods (pre-1949) vehicles or replicas, must be approved by an authorised representative/signatory of the Australian Street Rod Federation (ASRF) and a VASS certificate provided to VicRoads;

Our events explained:

PSM and PSA: Pleasant Sunday Mornings and Pleasant Sunday Afternoons, a popular way to catch up with other club members.

Dinner nights: Friday night dinners will commence at 6.30pm at the venue unless otherwise stated on the calendar. To assist with numbers for table bookings it is essential that those wishing to attend contact the nominated committee member by the Wednesday before the event.

Mid-Week Runs: Mid-week runs are on the first Wednesday in each month, departing from the Colac Visitor Information Centre (CVIC) unless otherwise stated on the calendar.

'WITH' runs: 'WITH' stands for Wind In The Hair. 'WITH' runs resume on each Friday of the daylight saving months. 'WITH' runs depart from the Colac Visitor Information Centre (CVIC) at the corner of Murray and Queen Streets, Colac, at 6pm unless otherwise stated on the calendar. Those participating should bring a BYO BBQ or picnic unless advised otherwise. Contact our Run Committee member if you have any queries.

Changes to run destinations: In recent times we have suffered extreme weather events on days when we have a run scheduled. To give as much flexibility to members as possible (not to mention substituting an alternative activity that may be kinder to our vehicles) the club has ruled that in extreme weather conditions the run committee can change a run destination and may be changed at the departure point. If in doubt, please check with the Run Organizer close to the start time of the run. Members of other clubs are cordially invited to attend any events listed on our [Calendar of Events](#). For details, please contact the member shown on the event listing or a Run Committee member.

Above photo's taken on our afternoon drive to Gellibrand store. A few of the boys found checking out each other's cars. We had a great day out with about 25 members present with a good contingent making their way from Camperdown. These were some of their cars above. It is great to see the Camperdown crew come along were we get to enjoy each other's company over a coffee and cake, talk a bit of bullshit for an hour or two and then head of home.

The runs committee try to cater for everyone with all sorts of different events. In this calendar of events we are set to go to "**Fast and Furious 7**" at the Colac Cinemas on April 2nd, if enough ccc members interested, members will be able to purchase tickets at a discounted price. Then on May 31st we are heading off to the **Werribee Zoo**, so pack up the kids and come and some fun. These are just a few events coming up.

And don't forget the **Beeac Cars and Coffee** on the First Sunday of each month. Help support Ean in his efforts to provide a great day out for all car enthusiasts and have a look at Ean's own private car collection.

Jokers Corner;

A husband and wife are trying to set up a new password for their computer. The husband puts, "My penis," and the wife falls onto the ground with laughter as on the screen it says, "Error, not long enough."

A man kills a deer and takes it home to cook for dinner. Both he and his wife decide that they won't tell the kids what kind of meat it is, but will give them a clue and let them guess. The dad said, "Well it's what Mommy calls me sometimes." The little girl screamed to her brother, "Don't eat it. It's an asshole!"

A lady comes home from her doctor's appointment grinning from ear to ear. Her husband asks, "Why are you so happy?" The wife says, "The doctor told me that for a forty-five year old woman, I have the breasts of a eighteen year old." "Oh yeah?" quipped her husband, "What did he say about your forty-five year old ass?" She said, "Your name never came up in the conversation."

So two Irishmen are travelling to Australia. Before they leave home, one of their dads gives them both a bit of advice: "You watch them Aussie cab drivers. They'll rob you blind. Don't you go paying them what they ask. You haggle." At the Sydney airport, the Irishmen catch a cab to their hotel. When they reach their destination, the cabbie says, "That'll be twenty dollars, lads." "Oh no you don't! My dad warned me about you. You'll only be getting fifteen dollars from me," says one of the men. "And you'll only be getting fifteen from me too," adds the other.
