The "All British Day" in Adelaide was a fantastic event with over 600 entries. It was a huge event, has been running for over 30 years and was well attended. Geoff then gave a concise and humorous run-down of his 'adventure' and rail journey to South Australia.

GENERAL BUSINESS:

- A concern was raised regarding the signing of permits for members. Members are to be reminded that to have a permit signed, it is preferred that members send the renewal to the club's Post Office Box 346, Colac. 3250 with a stamped self-addressed envelope. All other arrangements for signing must be via a phone call or message first (at a reasonable hour of the day and not at night time) with plenty of notice given. It is members responsibility to have their permits renewed in plenty of time before the due date.
- Keep up to date with happenings on Facebook:- [Colac Collectable Car Club](#)
- Thanks to Paul, Bern and Malcolm for tonight's presentation on their experiences and restoration of their collectable vehicles. A great initiative of Paul – so, thanks once again.
- Thanks to the Colac 3rd 4th Scout Group for catering for our meeting tonight.
