PRESIDENT'S REPORT: Ken Slingsby

With the better weather now here, it is important to check your vehicles (especially tyres). Remember the recommended time limit for tyres is 10 years of age. The upcoming newsletter will include Wind In The Hair (WITH) runs – lots of Friday night BBQ catch ups around the district and a few calendar events. The end of year run is to the Gellibrand Hotel commencing at 12noon on Saturday, 15th December – see Julie or Chris Minster for bookings and payment prior to the day. Also, Chris and Malcolm Wilson will be hosting this year's New Year's Eve get-together. All these details will be listed in the newsletter.

TREASURER'S REPORT: David Stephens

Bank Balance as at 3rd November, 2024 and financial position tabled. All accounts passed for payment.

CLUB PERMIT SCHEME AND AOMC REPORT: Geoff O'Neill

All details for the Association of Motoring Clubs (AOMC) are available on their website - <https://www.aomc.asn.au> . Events organised by the Association are usually held east of the city and this means these are not always accessible for those clubs in the south-west of the state.

RUNS REPORT:

The next newsletter is being put together with a list of runs from December, 2024 to March – April, 2025. As we are struggling to get members to participate, if you would like to help out with the runs, please see one of the committee members.

Beeac Coffee and Red Robin Café, Camperdown are still the most popular calendar events. See the next newsletter for listed runs.

FEDERATION OF VINTAGE, VETERAN AND CLASSIC VEHICLE CLUB REPORT:

(Shane Perrott)

The Federation <https://www.federation.asn.au> supports the older car movement and yes, a lot of the events are held in the metropolitan areas. One event the Federation runs is the Bendigo Swap meet. This event takes a lot of organising at huge costs to the Federation. Volunteers assist to help run the event. The A.H.M.F. is conducting a survey and can be found at <https://ahmf.org.au>

Also, on the website you'll find details of the Robert Shannon Foundation - the Foundation is to encourage people under the age of 30 to become involved in the restoration and preservation of veteran, vintage, post-vintage, historic 50s, historic 60s, historic 70s and historic 80s vehicles up to 30 years old. All funds raised by the Federation go to the Peter Mac Cancer Centre.

Members are reminded to check on their permit renewals. It is up to members to follow up if permit renewals do not arrive.

ALL REPORTS BE ACCEPTED:

Moved: Vince Thorne Seconded: Bernard Callahan Carried.

GENERAL BUSINESS:

- The club now has a Facebook site and members are welcome to join this 'closed' site. Thanks to Bonnie Shepherd for setting this up. Facebook:- [Colac Collectable Car Club](#)
- Newsletters for December to March will be in the post / emailed in a few weeks.
- Thanks to the Colac 3rd 4th Scout Group for catering for our meeting today.
- Congratulations to our winners of prizes for driving their 'collectable vehicle' to the meeting.

NEXT MEETING:

Friday, 14th March, 2025.
