Also, it is a time to check your vehicle during the winter months, if not being used, check for mice etc.

RUNS COMMITTEE REPORT:

There have been a couple of runs held over the past few months while the weather was nice. The activity at Lismore this morning was an enjoyable outing with approximately 20 cars on display. The Lismore Golf Club cater with coffee, toasted sandwiches, a breaky menu and pizzas later on in the day. Live music is provided and this event is held every last Sunday of the month.

RED PLATE PERMIT AND AOMC REPORT:

No report but all is going well with permit renewal signing and new permits.

FEDERATION VEHICLE CLUB REPORT: Shane Perrott

The last Federation meeting was held in May via Zoom and not at Harcourt because of the high cost of fuel. All Federation Picnics were advertised and in 2027 the Mortlake Picnic will be held on the 21st March due to an early Easter. The Golden Oldies tour will also be held in March, 2027. There were only 2 applicants for the Robert Shannon Foundation Trust. In August, 2027 there will be an Open Tour commencing in Wangaratta. No Steam Rally will be held in Echuca this year. The Bendigo Swap Meet will continue in years to come, under new management, but is definitely going ahead as usual. If you would like to volunteer at the swap meet, details were advertised in the current Colac Collectable Car Club newsletter (page 8). The swap meet is to be held on the weekend 14th – 15th November, 2026.
